

# Manufacturing Operator (m/f/d)

## Manufacturing Operator (m/f/d)

Your Next Chapter in Biopharma Manufacturing Starts Here

Are you ready to bring your hands-on manufacturing skills into a GMP-regulated environment where every batch matters? As a **Manufacturing Operator (m/f/d)**, you'll become part of a team that keeps biologics production running safely, precisely, and on schedule.

- ✓ **Assignment period:** 01.10.2026 – 30.09.2027
- ✓ **Location:** Werthenstein
- ✓ **Employment type:** Temporary placement

## About Our Client

For our client, a company active in the biopharmaceutical manufacturing sector, we are looking for a **Manufacturing Operator (m/f/d)** to strengthen the Drug Substance Bioprocess team. The company is known for its rigorous quality standards and its role in producing biologics that support patients worldwide.

## Your Tasks

- ✓ Set up, prepare, and operate manufacturing equipment as part of a cross-functional production team
- ✓ Prepare components and manage materials to keep production running smoothly
- ✓ Take samples and carry out shop floor tasks that support daily manufacturing operations
- ✓ Keep equipment in **GMP-compliant status** through routine monitoring, calibration, and maintenance
- ✓ Complete and review batch documentation to ensure production activities are properly recorded
- ✓ Familiarize yourself with and follow area-specific SOPs
- ✓ Support the coordination of daily work schedules together with relevant support groups
- ✓ Handle inventory management, ordering, and general housekeeping duties on the shop floor

## Your Profile

- ✓ At least **1 year of experience** in the pharmaceutical or biotech industry, or an equivalent apprenticeship/education
- ✓ Solid understanding of **GMP manufacturing processes**
- ✓ Strong communication skills in **German and English**, spoken and written
- ✓ Experience in pharmaceutical manufacturing is an advantage
- ✓ A reliable, detail-oriented, and team-driven way of working

## What Nemensis Offers You

- ✓ Nemensis AG is your specialized recruitment partner in Life Sciences, based in Basel.
- ✓ Comprehensive support and guidance throughout your application process by our consultants.
- ✓ Access to a large client network and exciting positions across Northwestern Switzerland.
- ✓ A fast and straightforward path to your next role through personal coaching and advice.
