

GMP Manufacturing Operator (m/f/d)

GMP Manufacturing Operator (m/f/d)

Your Hands-On Chapter in Biotech Production Starts Here

- ✓ **Assignment period:** 01.12.2026 – 30.11.2027
- ✓ **Location:** Schachen (LU)
- ✓ **Employment type:** Temporary placement

About our client

For our client, a company active in biopharmaceutical manufacturing, we are looking for a **GMP Manufacturing Operator (m/f/d)**. The organisation operates modern cleanroom facilities and combines single-use and stainless-steel technologies to deliver reliable, compliant production processes within a highly regulated environment.

Your tasks

- ✓ Carry out **sampling activities** according to approved plans, SOPs, and batch records
- ✓ Prepare, set up, and **clear manufacturing equipment** ahead of production runs
- ✓ Support **assembly and disassembly** of single-use systems and process equipment
- ✓ Take on routine operator duties within **Weigh & Dispense** as well as upstream and downstream solution supply areas, always in line with GMP and GDocP standards
- ✓ Run and support **washer and autoclave processes** according to validated cycles
- ✓ Keep manufacturing rooms audit-ready through **cleaning and equipment maintenance support**
- ✓ Handle **material staging, transfers, and inventory checks**, including incoming inspections
- ✓ Document your work accurately in **batch records, logbooks, and electronic systems**, and flag any deviations or safety observations promptly

What you bring

- ✓ Completed **technical or scientific vocational training** (e.g. biotechnology, chemistry, or laboratory technician)
- ✓ At least **3 years of experience in GMP-regulated manufacturing**, ideally within biotech or pharma
- ✓ Solid knowledge of **GDP and ALCOA+ principles**
- ✓ Comfortable working in **cleanroom environments** with a sharp eye for detail
- ✓ Practical experience with both **single-use and stainless-steel biotech equipment**
- ✓ Familiarity with **sampling, material handling, and GMP documentation**
- ✓ **German and English** language skills
