Senior Process Engineer Biotech Manufacturing (m/w/d)

Senior Process Engineer Biotech Manufacturing (m/w/d)

Shape the Future of Biologics Manufacturing as Senior Process Engineer (m/w/d)

- ✓ **Assignment period:** 11.01.2027 – 31.12.2028
- ✓ **Location:** Greater Lucerne area, Switzerland
- ✓ **Employment type:** Temporary placement via nemensis ag

About our client

For our client, a state-of-the-art biotech manufacturing site near Lucerne, we seek an experienced **Senior Process Engineer (m/w/d)**. The site supports early-phase clinical supply of biologics, combining advanced manufacturing with a collaborative culture and strong global network.

Your Responsibilities

- ✓ Drive evaluation, selection and qualification of equipment, automation and new **manufacturing technologies**
- ✓ Create **process engineering** deliverables such as user requirements, design reviews and risk assessments
- ✓ Own **Single-Use Technology** topics, from component selection to Extractables and Leachables and lifecycle support
- ✓ Partner across functions to troubleshoot issues and support deviation investigations and root-cause analysis
- ✓ Maintain engineering and **GMP** documentation, including change controls, SOPs and qualification protocols
- ✓ Drive technology transfer and continuous improvement for GMP manufacturing

Your Profile

- ✓ Bachelor's or Master's degree in chemical, biotech, pharmaceutical or mechanical engineering or related field
- ✓ At least 7 years of relevant experience in pharma, biotech or another regulated manufacturing environment
- ✓ Hands-on understanding of **biologics manufacturing**, including upstream and downstream processing
- ✓ Working knowledge of **cGMP**, EHS expectations, equipment qualification and quality systems
- ✓ Experience with **Single-Use Technology**, deviation management, CAPA or change control
- ✓ Fluent in English (C1) with good knowledge of German (B1)

What nemensis Offers You

✓ Nemensis AG is your specialized recruitment partner in the Life Sciences sector, based in Basel.
✓ Comprehensive guidance and support throughout the application process by our consultants.
✓ Access to an extensive client network and exciting positions across north-western Switzerland.
✓ A fast, straightforward route into your new role through personalized support.

At nemensis ag, we've connected thousands of candidates with their dream job. What can we do for you today? If this **Senior Process Engineer (m/w/d)** role near **Lucerne** sounds like your next step, get in touch!
